

CC4C 10th Anniversary Digital Toolkit

We are thrilled to unveil our Digital Toolkit in honor of the **10th Anniversary of the Cities & Counties for Citizenship (CC4C) Initiative**. This momentous milestone represents a decade of unwavering commitment to championing citizenship, fostering immigrant inclusion, and creating vibrant, prosperous communities nationwide. Our team at the National Partnership for New Americans (NPNA), along with our CC4C Executive Committee and esteemed partners, have worked tirelessly over the years to ensure that the voices and contributions of our nation's immigrant population are amplified and celebrated.

In this toolkit, we've gathered a rich collection of resources to help you engage, inspire, and act, whether you're a city or county official, an immigrant rights organization, or an engaged citizen passionate about making a difference. This toolkit is your key to unlocking the power of our collective efforts over the last decade, and it is designed to be user-friendly, informative, and empowering.

The toolkit features distinct components:

1. [Press Release Partner Template](#)
2. [Naturalization Event Promotional Graphics](#)

4. [City & County Leader Video Clips](#)
5. [City & County Statistical Data](#)
6. [Proud CC4C Member Badge](#)
7. [Citizenship Day Celebration Graphics](#)

In these resources, you will find the heart and soul of our mission: to advocate for, support, and uplift new Americans in every city and county across our nation. We invite you to delve into these materials, share them widely, and join us as we commemorate a decade of dedication and look forward to the work yet to be done.
